Subject: ACI Award for University Activities - **2010 Excellent University**

Dear Muhammad and Brandon:

Congratulations!! The Florida International University has been named an ACI Excellent University for 2010. The ACI Award for University Student Activities was initiated to recognize universities that have participated in ACI-related activities. Your university can take exceptional pride in having reached this level since only 12 universities are receiving this award for 2010.

The award will be announced during ACI's 2011 spring convention at the Opening Session and Annual Awards Program in Tampa, FL on Sunday, April 3, from 5:15 p.m. - 6:30 p.m. at the Marriott Hotel in Grand F - J. If any students, faculty, or other representatives from your university plan on attending the convention, **they must be registered for the convention in order to attend the Opening Session and Annual Awards Program.**

The award - a special banner - will be mailed to your university soon after the convention to display, and we hope that you display it proudly and prominently. We hope that your university remains active in ACI and continues to apply for this award year after year.

Again, congratulations on a job well done. Keep up the good work!

Sincerely,

Diane Pociask
ACI Awards Coordinator
