

FIU Civil & Environmental Engineering

First Semester Advising

To become acquainted with faculty members in your area of specialty and choose from them your Academic Advisor, you are asked to meet with all professors in your area so you will learn about (1) the courses that they teach that may be of interest to you, (2) their teaching plans, (3) their research interests, and (4) potential opportunities to work with them as a research assistant. Within your first semester before the specified date given to you by the Graduate Program Director (GPD), please make an appointment and meet with each of the faculty member in your specialty area as identified below. Bring this form with you to all meetings and ask each professor to sign after the meeting. This form, along with the Graduate Program of Study form must be returned to the GPD before you are allowed to register for classes in the following semester. Faculty information may be found at the department web site: <https://cee.fiu.edu/about/faculty-staff/faculty/>
